PRO40 Range

The Sun Leisure PRO40 line is designed primarily for professional use such as exhibitions, trade fairs, catering, farmers markets, motorsport, and more. This range can also be the ideal choice for use at home and in the garden, making it the perfect addition for parties and barbeques

All this is made possible by the PRO40's incredible list of features. The strong but still lightweight aluminium frame has double internal ribs inside each aluminium scissor profile, which boost the structure's strength by around 30%

The incredibly tough nylon joints and connections are backed by our industry leading **LIFETIME JOINT GAURENTEE**

MAGTEX

12kg UK Made Gazebo Weights

Introducing our UK-made Gazebo Weights, designed to enhance the stability and durability of your outdoor setup with ease and sustainability in mind. Crafted meticulously with precision, each weight boasts a substantial 12kg (26.5lbs) to anchor your gazebo securely against the elements.

These weights incorporate 30% recycled content, embodying our commitment to reducing environmental impact without compromising on quality.

The innovative interlocking design simplifies installation, allowing you to effortlessly attach multiple weights to each leg of your gazebo giving you peace of mind during gusty winds or adverse weather conditions.

Price per pair: £58.95

Steel Weights

Providing the extra added support needed to anchor your shelter to the ground in all weather conditions, these 12kg Steel Weights are a part of the PROTEX range and are compatible with all shelters at Sun Leisure.

Price per pair: £69.95

Sky Banners

Sky Banners extend the promotional area of our instant shelters and attract attention from further afield due to their extra height. Interchangeable banners allow different designs to be shown using just one frame, when marketing separate products or when particular sponsors are to be promoted. Full-flood digital printing means any graphic image can be printed on the Sky Banner for a vibrant visual impact at its best.

Prices From: £189

Heating

Providing instant, clean, odour free infrared heat, the 3-Way INFRARED Instant Shelter Heater is the perfect heating solution during the cooler temperatures. As the elements will only heat solid objects, rather than air, they are extremely efficient as 95% input energy is converted into heat output.

Prices From: £119.95

Lighting

We have a range of lighting options available for your outdoor shelters. Explore our collection to find the perfect lighting solution to enhance and illuminate your shelter instantly.

Prices From: £89.95

Directors Chairs

Director's Chairs are a must have accessory for your garden, camping and other leisure activities or for your sales, marketing, motorsport and other event needs. Available in green, blue or graphite, they can also be customised with our cost-effective in-house vinyl print service.

Prices From: £49.95

Spares

Gazebo spares are an essential part of the service we offer, guaranteeing that any accidental damage can be quickly, easily and, most importantly, economically repaired.

We are the only company to offer our unique **LIFETIME JOINT GAURENTEE**, meaning that if any brackets on your shelter fail, they won't cost you a penny to replace. All brackets will be delivered as quickly as possible so your shelter is back up and running with minimal fuss. If you are not sure which part you need and are unable to choose from our online list of spare parts, simply get in touch with our team today for further assistance.

Other Inflatables & Shelters

We offer an extensive range of inflatable advertising structures, our AXION inflatable range features a huge selection of inflatable marketing tools. From gazebos to arches and furniture, they are the perfect option for company promotion at events.

Our range also includes a variety of stretch and star tents that are a simple and effective way of making a lasting impression at outdoor events. Our spider tents cover your event area, protecting your display from the elements with a premium look and feel. Available as one pole or two-pole constructions, our star tents make it easy to cover almost any area, big or small

We're Here To Help?
